

HADI SCHOOL OF EXCELLENCE
Raising Leaders of Tomorrow

Hadi School is Guided by Leadership & Knowledge

**Sheikh Muhammad
Hasan Rafati Al Haeri**

**Quran Teacher:
Tafseer & Memorization**

Sayyid Mehboob Mehdi

IQA Curriculum Advisor

**Sheikh Mohammad
Javad Saadatmand**

IQA Department Head

Under the leadership of three esteemed scholars, speakers, and leaders in the Islamic community, Hadi School is proud to be anchored by a team deeply rooted in knowledge and faith. Sheikh Muhammad Hasan Rafati Al Haeri, Sayyid Mehboob Mehdi, and Sheikh Mohammad Javad Saadatmand bring their combined wisdom, experience, and spiritual guidance to help shape our students into the Leaders of Tomorrow. Their presence is not only a source of strength but a cornerstone of our commitment to holistic, faith-centered education. Our team of scholars will be guiding students in Quran, Tafseer, Islamic ethics and more.

Meet Dr. Azra Naqvi

Principal

About Me

Salaam! My name is Dr. Azra!
I am so excited and blessed to be starting the 2025-26 school year with my wonderful students and staff.

I am looking forward to a great year. May Allah SWT provide all of our students with the opportunity to grow and thrive in our school.

My Goal

For the 2025-26 school year, my goal is to enhance the quality of education in Hadi School by fostering holistic student development and preparing them with future-ready skills. This involves enhancing our curriculum, emphasizing student-centered learning through active, project-based approaches and providing personalized, technology-enhanced educational experiences are key. Continuous assessment and feedback will guide student progress, supported by robust well-being services and individualized support. Engaging parents and the community, promoting equity and accessibility, and implementing inclusive policies will further ensure that all students have equal opportunities to succeed. A clear action plan, resource allocation, regular progress monitoring, and transparent communication with stakeholders will be essential for achieving these goals.

Meet Ms. Sabaah Asghar

Vice Principal

About Me

Salaamun Alaykum,

I am honored to have the opportunity to help lead a school filled with persevering students, an incredibly dedicated staff, and a supportive school community. I also serve Hadi School as a proud parent of one Hadi graduate and two amazing current students, which allows me to serve with both professional commitment and personal passion.

Over the years, I've been fortunate to serve in multiple capacities at Hadi School, including as an instructional coach. These experiences have allowed me to work closely with students and teachers, deepening my understanding of classroom needs and instructional best practices. This background continues to shape my approach as a school leader, keeping student learning and teacher support at the heart of my work.

Currently, I am in the final stages of completing my Certificate in School Management and Leadership through Harvard Business School and the Harvard Graduate School of Education. Alhamdulillah, I gained valuable insight from my experience last year as Vice Principal and benefited greatly from the mentorship of Dr. Azra, who guided me through my first year in administration.

As we begin this new school year, I bring with me a fresh perspective and a proactive mindset to help us get the year off to a strong and purposeful start. I send my heartfelt duas for all of our staff and students to have a blessed, fulfilling, and successful year ahead, insha'Allah.

My Goal

Alhamdulillah, I am grateful to be part of this unique Islamic school and feel truly blessed to support our staff, students, and families. With 19 years of dedication to the field of education, I approach this role with both experience and a deep sense of responsibility.

One of my core goals this year is to help align our leadership vision with high academic expectations, strong curriculum and a school culture that is positive, nurturing, and rooted in Islamic values. I believe that academic excellence and spiritual development go hand in hand, and I am committed to creating an environment where students feel supported, motivated, and inspired to reach their full potential, both in their studies and in their faith.

Another major focus for this school year is ensuring a smooth and successful transition into our new school building. This is a significant milestone in Hadi School's journey, and I recognize the importance of preparing our staff, students, and families for this exciting change. My goal is to help lead a thoughtful and organized transition process, where logistics are carefully managed, communication is clear, and the new space reflects the same warmth, purpose, and values that define our current school culture.

In all of this, I hope to foster strong collaboration among our teachers, staff, and families, and to lead with integrity, transparency, and care. I pray that Allah (SWT) continues to guide us, bless our efforts, and allow us to grow together as a school community rooted in knowledge, faith, and service.

Meet Ms. Sumana Fatima

Administration

About Me

Salaam! My name is Ms. Sumana.

I have had the honor of being part of the Hadi School family for the past six years. Currently, I serve on the administrative team, and this year marks the beginning of my 7th year in school administration. Over the past six years, I've gained invaluable experience in leadership, school operations, and student support, and I continue to grow both personally and professionally through this meaningful work.

I hold a Bachelor's degree in Biology, and although my academic background began in the Sciences, my passion for education and community service naturally led me into school administration. I am currently advancing my professional development by pursuing a Certificate in School Management and Leadership, through Harvard Business School and the Harvard Graduate School of Education. This opportunity is equipping me with the tools and insight needed to better serve our students, staff, and school community.

I am also a proud mother of three wonderful daughters, two of whom attend Hadi School. This dual role, as both an administrator and a parent, gives me a deeper understanding of the needs of our families and reinforces my commitment to creating a nurturing environment for all students.

My Goal

My goal is to create a positive, nurturing environment where both students and staff feel supported, valued, and empowered. I am committed to helping our students grow not only academically, but also emotionally and spiritually, rooted in strong Islamic values. At the same time, I'm here to support our dedicated staff in any way I can, so they can continue to do the amazing work they do every day. Together, I believe we can build a school community where everyone thrives with purpose and pride in their faith.

About Me

Salaam! My name is Ms. Vineeta.

This is my fifth year with Hadi School! I have my MBA and my BSc in Biological Science & Philosophy. I am a proud Hadi Parent to two students. I am very passionate about the Montessori program at Hadi.

I am currently completing my Montessori Leadership & Administration certification through the American Montessori Society to better support the mission and vision of our school. I look forward to cultivating a strong relationship with our families and the Montessori philosophy.

My Goal

My personal goal for this year is to connect with our students and encourage and inspire them in any small way I can. I hope to remind them of the love Allah SWT has for them and help them recognize that within them is the entire universe.

Meet Ms. Uzma Faisal

Montessori Blue Room

About Me

Salam! My name is Ms. Uzma. I am honored to be a part of Hadi School, where I have been teaching for the past eight years. With a total of 12 years of experience in Early Childhood Education, I bring both dedication and passion to my role. I have masters in IR and hold a diploma in Early Childhood Education. I have also completed Montessori professional development through the American Montessori Institution. I am deeply committed to nurturing young learners and fostering their growth through the Montessori approach. I look forward to another enriching and joyful year of learning.

My Goal

As a Montessori educator, one of my personal goals is to emphasize the importance of Grace and Courtesy in the classroom. I am committed to nurturing these foundational values to help children develop a sense of self-respect, confidence, and empathy. By fostering these qualities, I aim to guide students in demonstrating respect for themselves and others in a natural and meaningful way.

Meet Ms. Narjis Shamji

Montessori Green Room

About Me

Salaam! My name is Ms. Narjis.

I am excited to begin my 17th year as a Montessori Lead. After rejoining Hadi School last year, I witnessed first-hand that it is truly a wonderful place, not just for teaching, but also for learning and growing together every day Alhamdulillah.

As a Montessorian, I get to work with incredible students who inspire me all the time. There's nothing more rewarding than watching children discover new things, build confidence, and develop both academically and personally. I cannot wait to see what this year has in store for us, and I am dedicated to helping each child reach their full potential. With the support of our amazing school community, I know we will make this another fantastic year filled with curiosity, creativity, and growth.

My Goal

This year, one of my main goals is to help our children grow in their mannerisms and soft skills, especially from an Islamic perspective. We'll be using the Montessori Grace and Courtesy lessons as a foundation, weaving in Islamic values to help them develop in a way that feels meaningful and natural. Alongside that, I am also focused on helping each child progress academically, meeting them where they are and guiding them to that next level in a way that supports their love for learning.

Meet Ms. Zahra Rizvi

Montessori Assistant Teacher

About Me

Salaam! My name is Zahra. I am glad to be a part of Hadi School, going onto my 3rd year in the Montessori program. I have my Bachelors in Early Childhood Studies, Diploma in Montessori for Preschool, and currently attending an Early Childhood Certification program at Seton Montessori Institute, affiliated with the AMS (American Montessori Society). I have worked in Early Childhood for over 12 years, with experience working in Infant, Toddler, Preschool, School-age and Montessori-based settings. I am happy to be contributing and learning alongside others in this precious Islamic school environment! Looking forward to working with our Montessori children this year, InshaAllah!

My Goal

I am striving to achieve my Montessori certification through SMI to best serve the overall vision and goal of the Montessori program at Hadi School. I pray that the efforts I plan on pouring into the classroom alongside our team, working with our children, is palpable and helps to drive the mission of Montessori in an Islamic environment forward.

Meet Ms. Hina Rizvi

Montessori Assistant Teacher

About Me

Salaam! My name is Ms. Hinal

I am proud to be a part of the Hadi School of Excellence as a Teaching Assistant, starting in the academic year 2025-2026. With more than eight years of hands-on experience in early childhood education, I help children thrive in a nurturing, quiet, and engaging classroom setting.

I have a personal flair and experience working with children of all ages and levels of education, having nurtured three of them through their school years. As a people person with fluency in English, Hindi & Urdu, I connect easily with diverse families and students.

My Goal

As a teaching assistant, I strive to observe, guide, and support children in their natural learning journey, while fostering independence, curiosity, and kindness. It is my goal to creating a safe, stimulating, and nurturing environment where each child feels seen, heard, and valued.

I am committed to building strong relationships with students and their families, encouraging positive values, and supporting each child's growth at their own pace, within a true Islamic school environment at Hadi School, Inshallah!

Meet Ms. Razan Nour

Humanities for 4th–8th

About Me

Salaam!

My name is Ms. Razan, I am the Humanities teacher for grades 4th-8th. Teaching is my lifelong passion. Over the past nine years, I have had the privilege of working with students across various age groups. This will be my fourth year at Hadi School, and I bring with me a wealth of teaching experience from both Qatar and Saudi Arabia.

I hold a Master of Science from the University of Nottingham in UK and a Master of Arts in Teaching from National Louis University. I'm excited to build meaningful connections with my students and support their growth throughout the year.

My Goal

My goal this year is to advocate for continuous lifelong learning. As an educator, I am passionate lifelong learner. I understand the importance of instilling that "lifelong learning" ethos in the hearts and minds of our students as well. This year I will work very hard on mentoring students' intellects by helping them develop problem-solving, critical - and creative - thinking skills. I will always inspire my students by demonstrating my belief in their abilities and providing the support they need to succeed in their academic challenges.

About Me

Salaam! My name is Ms. Farwa! I will be your child's Islamic Studies teacher for the upcoming year, InshAllah. I have been teaching Islamic Studies for more than 20 years now and have really enjoyed this journey. I truly believe that our children are our future and teachers should be their ideal role models for them to look upon and to follow in their practical lives.

My Goal

Being a mom of three young kids, my teaching philosophy is similar to my parenting strategy which is to instill the love of Allah in these young hearts. We follow The Leader In Me program at Hadi School which is to empower the students with life skills and to reach one's full potential, one needs to strengthen their relationship with their Creator. My goal is to create a nurturing and stimulating environment where every student can explore and work towards this relationship and eventually, come closer to Allah, InshAllah.
